(I just wanna love you)

The way you are
The way you do
The way you breathe
The way you play
The way you feel
The way you touch
The way you entry to my mind (my mind)

I love you (I love you)

The way you are
The way you do
The way you breathe
The way you play
The way you feel
The way you touch
The way you entry to my mind

You€ I love you (I love you)

The way you smile
The way you talk
The way you kiss
The way you love
The way you look
The way you walk
The way you entry to my mind

You€ I want you (I want you)
(You and me)

The way you smile
The way you talk
The way you kiss
The way you love
The way you look
The way you walk
The way you entry to my mind

You&I I want you (I want you)

(You and me)

No matter what you do
And no matter where you go
I know:
I love you (I love you - 2x)

You and me
Oh, just you and me

And I don't want nobody else
I don't want nobody else, no
Oh, no

The way you are
The way you do
The way you breathe
The way you play
The way you feel
The way you touch
The way you entry to my mind

I love you (I love you)

The way you are
The way you do
The way you breathe
The way you play
The way you feel
The way you touch
The way you entry to my mind

I love you (I love you)

The way you smile
The way you talk
The way you kiss
The way you love
The way you look
The way you walk
The way you entry to my mind

I want you (I want you)

The way you smile
The way you talk
The way you kiss
The way you love
The way you look

The way you walk
The way you entry to my mind

You... I want you (I want you)

(I just wanna love you)
