I think I'm running away
I can't keep running away
I can't keep feeling the same
I can't keep taking the blame

Run around with you
I don't care what I would do
Gotta get out of this place
Because it feels like yesterday

Dayyy, Dayyy, Dayyy
There we go

I can't be wrong 'cause it feels like yesterday
I can't be wrong while we live in yesterday
I can't be wrong 'cause it feels like yesterday
I can't be wrong while we live in yesterday
