On my mama, On my hood
I look fly, I look good

Here we go again, this chic crazy
I should have been locked up, I know u hate me
Come on down to the club & ask about me
I'll be that chick in the booth, I stay roudy

I stay fly, V I P
Smack a chick if she ask to pee on me
When it comes to sex, head game whoooo
Only mess with bad chicks, yo i'm cool
What Lady Sovereign said is so true
If you hate me....forget you
Stop buggin', you stay frontin'
I know you only mad, cause it's me you wantin'
You can call me a slut, so what?
I'm good at what I do, you could kiss my butt
Go get your G E D, then come see me
In case you forgot, this P E G
