Listen

If you can take what I can give then listen up
One on one you know my love is dangerous
Heart and soul when I'm alone I climb the walls
Baby I just want to have it all

People think I'm crazy
They don't see what I'm seeing
People think I'm crazy
Good lovin's never easy at all
At all

You know I can't slow down til the morning after
Baby can't you see
You know I can't slow down
No, I can't slow down at all

If love is blind then I must be delirious
One on one you know my love is serious
Have you had enough 'cause I'm not satisfied
Baby let me take you for a ride

People think I'm crazy
They don't see what I'm seeing
People think I'm crazy
Good lovin's never easy at all
At all

You know I can't slow down til the morning after
Baby can't you see
You know I can't slow down
No, I can't slow down at all

I'm going crazy

No, I can't slow down til the morning after
Baby can't you see
You know I can't slow down
No, I can't slow down at all
Can't slow down til the morning after
No way

I can't slow down
You know my dangerous
People say I'm crazy
Can't slow down til the morning after
Never gonna slow down
Don't take love to serious
I can't slow down at all
