(Hendrix, Parrish, Pilson)  
If we could change the world  
It wouldn't change their minds  
We could turn back to good  
But we can't turn back time

We've got to show them all  
A world that's filled with hate and greed  
Won't last for very long  
It's love that we all need

We've got to change the world now  
Before we run out of time  
We've got to change the world  
But we must learn to walk  
Before we learn to fly

We've been through this before  
About a million times  
You can't turn back to ice  
There is no compromise

We've got to change the world now  
Before we run out of time  
We've got to change to the world  
But we must learn to walk  
Before we learn to fly

1991 marked the year of the end of the era of  
communism in the Soviet Union.  
The voices of the people were heard  
The Berlin Wall was brought down  
The people made the change  
We Can change the world

We've got to change the world now  
Before we run out of time  
We've got to change the world  
But we must learn to walk  
Before we learn to fly

If we could change the world

If we could change the world  
(repeat)
