(Pilson, Parrish, Hendrix)

Oh yeah

Old temptations
New frustrations
Open up your eyes
Let's get high on new sensations
Let your spirits fly

Everybody's crazy
You've got to find a way
We've got to come together
Let me hear you say

Heaven is waiting
And we'll all shine on
Heaven is waiting
And we'll all shine on

Shine on, baby

In a world of
Self destruction
No one ever wins
You see
Revolution's
No solution
The answer lies within

We're crying out for freedom
We'll find it someday
We've got to come together
Just don't be afraid

Heaven is waiting
And we'll all shine on
Heaven is waiting
And we'll all shine on
Heaven is waiting
And we'll all shine on
On and on
Heaven is waiting

All shine on
And on

Heaven is waiting
Heaven is waiting
And we'll all shine on
Heaven is waiting
And we'll all live on
Heaven is waiting
And we'll all shine on
Heaven is waiting--All shine on
(repeat)

Heaven is waiting--And we'll all shine on
