(Hendrix, Pilson, Parrish)

Morning comes
Still got you
On my mind
I just can't leave
These memories
Far behind

But mama
I just can't
Let you go
There's so much
I would like
You to know

I miss you mama
And there's nothing I can do
I want to say I love you
I miss you mama
And I don't know what to do
But I know you feel it too
Yes, you do

Even though
There were days
That you cried
You always knew
I was there
By your side

And mama
Now we all
Must be strong
To let you know
That your love
Will carry on

I miss you mama
And there's nothing I can do
I wan to say I love you
I miss you mama
And I don't know what to do

But I know you feel it too
Oh, I miss you

When I'm lost
Your spirit showed the way
And together we'll climb
yes, we'll climb

I miss you mama
And there's nothing I can do
I want to say I love you
I miss you mama
And I don't know what to do
But I know you feel it too
I miss you mama
And there's nothing I can do
But I know you feel it too

Oh, I miss you
Oh, I want to say
I love you
I love you
