(Pilson, Hendrix)

Lately I don't hesitate to tell you how I feel
See, good times come, good time go
Gotta hold on to what is real
Everything is changing
But that's alright
Gotta take what comes like a roll on the dice

You know that it ain't easy
Live and learn one day at a time
Because..

Feels like my world is spinnin' round
Every day it changes
Feels like my whole world is spinnin' round
Round and round, round and round
Feels like my world is spinnin' round and round

Maybe I'm just looking for a way to ease my mind
Keep on searching for what it takes
Well, the lord knows what I will find

You know it ain't easy
Live and learn one day at a time
Because..

Feels like my world is spinnin' round
Every day it changes
Feels like my whole world is spinnin' round
Round and round, round and round
Feels like my world is spinnin' round
Every day it changes
Feels like my whole world is spinnin' round and round
And round

Spinnin' round
Spinnin' round

Feels like my world is spinnin' round
Every day it changes
Feels like my whole world is spinnin' round
Round and round, round and round

Feels like my world is spinnin' round
Every day it changes
Feels like my whole world is spinnin' round
Spinnin' round

You know it ain't easy
To live and learn one day at a time
You know it ain't east
To live and learn one day at a time
(repeat)
