Come and let me take you under
To a place you've never been;
To a world you've never seen.
Set your heart assunder
As I crawl inside your head
As your blood sings, flowing flowing red...
This is where you'll find me.
Chorus: I will love you, I will hate you
I will praise and berrate you
I will be your freak (show)
I will lose you, I will find you
I will see and will blind you
I will be your freak show
When the world don't want you
And you have no place to go...
Wrap me around you;
I will be your freak show.
And if I find I want you,
Well then, nothing can be done.
I will trap you inside me
'cause the night and I are one.

Yes the night and I are one

Repeat Chorus

I will lock you and will free you

I will rock and I'll be you

I will be your freak (show)

I will want you I will daunt you

I will die and I'll haunt you

I will be your freak show
