Oh
Yeah

Jimmy goes through money like a millionaire
Bills pile up around him but he doesn't care
He picks up his best friend at the local scene, yeah
Wraps it up in the corner of a magazine, oh yeah

(All night)
God he hates to be lonely
(Daylight)
Hasn't seen any sun in three days
(Know why)
Every time it goes down you can hear him say

Oh, all my bridges are burnin'
Watch them go down in flames
Oh, I can't even remember my name
All my bridges are burnin', oh yeah

Jimmy treats every night like a holiday
Makes a friend or two, but they never stay
Takin' care of number one is his point of view, yeah
An' if you keep him high he'll be friends with you, oh
yeah

(All night)
God he hates to be lonely
(Daylight)
Hasn't seen any sun in three days
(Know why)
Every time it goes down you can hear him say

Oh, all my bridges are burnin'
Watch them go down in flames
Oh, I can't even remember my name
All my bridges are burnin', oh

Wipe the sweat from your lip
Take a look around you get hip
You're lookin' in from outside
Slowly watchin' yourself let you

(Die)

Oh, all my bridges are burnin'
I watch them go down in flames
Oh, I can't even remember my name
All my bridges are burnin'
(My bridges are burnin')
Yeah, watch them go down in flames
I can't even remember my own name
All my bridges are burnin', oh yeah
