Love is a game of war

Ohhh ya ya

I dont need anyone especially
someone who leads me on
if you want a piece of me come on
all i want is all i need
little bit lovin guaranteed
and i dont know
and i dont know if i care where im going

ohh how can you change it
i dont know i dont know i dont knowww
aint that strange when
you rather be making love

Chours
We are like a game of war
we both try to hide it
why dont we just call it a draw
i dont want to play it anymore...anymore

shoot me once,shoot me twice
feels like im walking through a field of mines
one wrong step and ha goodbye

well come come on dont be shy
i hate you,you hate me
i guess it ends in a tie
let it be a game of war
start all over ya

ohh how can you change it
i dont know i dont know i dont knowww
aint that strange when
youd rather be making love

Chours
We are like a game of war
we both try to hide it
why dont we just call it a draw

i dont want to play it anymore...anymore

ohhh yaaaya

Chours

We are like a game of war

we both try to hide it

why dont we just call it a draw

i dont want to play it anymore

whaaaahooo love is war

Love is a game of war
