Well the times are getting hard for you little girl  
I'm a-hummin and a-strummin all over God's world  
You can't remember when you got your last meal  
And you don't know just how a woman feels

You didn't know what rock-n-roll was  
Until you met my drummer on a grey tour bus  
I got there in the nick of time  
Before he got his hands across your state line, yeah

Now it's the middle of the night on the open road  
The heater don't work and it's oh so cold  
You're lookin tired you're lookin kinda beat  
The rhythm of the street sure knocks you off your feet

You didn't know how rock-n-roll looked  
Until you caught your sister with the guys from the  
group  
Half way home in the parking lot  
By the look in her eye she was giving what she got said

CHORUS:

My my my I'm once bitten twice shy baby  
My my my I'm once bitten twice shy  
My my my I'm once bitten twice shy baby

Woman you're a mess gonna die in your sleep  
There's blood on my amp and my Les Paul's beat  
Can't keep you home You're messin around  
My best friend told me you're the best lick in town

You did know that rock-n-roll burned  
So you bought a candle and you lived and you learned  
You got the rhythm you got the speed  
Mama's little baby likes it short and sweet I said

I didn't know you had a rock-n-roll record  
Until I saw your picture on another guy's jacket  
You told me I was the only one  
But look at you now it's dark and you're gone

CHORUS
