Gonna write a letter to my baby  
And this is what I'm gonna say  
On second thought I think I'll take the time  
To say it to her face

I can't eat, can't sleep  
I feel I'm going down for the last time  
I'm sinking in your sea of insecurity, yeah

Do I love you? Yes I do, but I love my own life too  
And now I lay here holding your hand  
I can't help but feel that you don't understand  
Tighter you hold on, more that it's feeling like  
quicksand

Our fate is written in the stars, written on your face  
Now you're holding too tight to my heart  
It's gonna burst and leave an empty space, yeah ya

Do I love you? Yes I do, but I love my own life too  
As I lay here holding your hand  
I can't help but feel that you don't understand  
Tighter you hold on, more that it's feeling like  
quicksand, quicksand

Oh yeah

Oh, and do I love you? Yes I do, but I love my own life  
too  
Oh, oh

Well, I lay here holding your hand  
I can't help but feel that you don't understand  
Tighter you hold on, more that it's feeling like  
quicksand

And I can't help but feel that you don't understand  
Oh, more that it's feeling like quicksand, quicksand
