red light green light she goes all night
.she all wanna dance
Up down left right honey don't you look alive
She got a itch that she wants me to scratch
She don't want me to attached she said.
Chorus:
Sex aint love
Honey why you ... so tough
We can do this all night long
But baby sex ain't love .
...what she wana get,
no no yes yes I can't even take a guess
All the table on the floor
later on? . against door
messing with my heart feel with my head
... that's when she said
Chorus:
She say sex ain't love
honey why you ride me so rough
we can get messed up all night long
Sex ain't love honey why play mr tough
We can get messed up all night long
Sex ain't love.
late for work late with the rent all I wanna do is get on
you again
Come on now
Come on now
Mm give me what I need
Said now baby
Oh yeah you know, you know
[Chorus:]
Sex ain't love oh no no
Sex ain't love, sex ain't love,
Sex ain't love.
