The Bitter Pill
by Warrant
Sometimes I'm lost
And then I'm found
Sometimes I feel
Turned inside out
I'm often silent when I'm screaming inside
Instead of love
We tend to hate
We never quite
Appreciate
How much the other person cares or tries
Hold me close
Don't ever let me go
Cause I'm confused
But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours
You're such a mystery
Why can't I unlock the door
All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
And when I'm right
I'm also wrong
We give and take
To get along
There's so much more to this than I ever dreamed
And when you smile
I have to laugh
And when you cry
I'm torn in half
So calm and yet so loose at the seams
Oh
Hold me close
Don't ever let me go
I'm confused

But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours

You're such a mystery
Why can't I unlock the door
All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
Liebe kann eine bittere pille sein
Eine bittere pille
Liebe ist eine bittere pille
Eine bittere pille
Liebe kann eine bittere pille sein
Ich will ein bier
Ich will besoffen sein
Die ganze welt ist dumm
Mir steht es so im hals
Ich sage dir
Die liebe kann nur luge sein
Hold me close
Don't ever let me go
Cause I'm confused
But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours
You're such a mystery
Why can't I unlock the door
All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
Or a bitter pill
