(Words and music by Shorty Medlocke)

All on fucking board!

Uh huh!

Well. Train, train

Lord take me on out of this town

Yeah train, train, come on

Take me on out of this town

That woman I'm in love with

Lord, she's Memphis bound.

Oh I'm leavin' here

I'm just a raggedy hobo

Leavin' here

I'm just a raggedy hobo

That woman I'm in love with

Lord, she got to go

Oh yeah.

Good bye, pretty mama

Get yourself a money man

Lord, goodbye pretty mama

Get yourself a money man

You take that midnight train

To Memphis, Lord if you can

Oh you take that midnight train

To Memphis, leave if you can

Oh yeah, yeah

Yeah. This one's for the down boys
