(Lyrics : Jani Lane / Music : Jani Lane, Rick Steier and James Kottak)

I used to dream in technicolor  
Now it's all gone black and white  
I used to have myself a schedule  
Now I stay awake all night  
I wish I'd seen this coming  
But I don't have second sight  
I should have found somebody else  
Or built a wall around my heart  
Spent the money in my wallet  
On a ten foot bodyguard  
Maybe then you leaving me  
Would not have hit me  
Quite so hard

Bridge

I wish that I could've turned this around

Chorus

Been shot down / I'm broken in pieces  
All over the ground / been shot down  
I'm totally speechless / can't make a sound

Bridge 2

All the kings horses and all the kings men  
Could never get my heart  
Together again, it's smashed into pieces  
And cast to the wind, I have to start  
All over all over again
