Sometimes I wonder how I'd ever make it through  
Through this world without having you, I just wouldn't  
have a clue  
Cos sometimes it seems like this world's closing in on  
me  
And there's no way of breaking free, and then I see  
you reach for me

Sometimes I wanna give up, wanna give in, I wanna  
quit the fight  
And then I see you baby and everything's alright,  
everything's alright

When I see you smile, I can face the world  
Oh, you know I can do anything  
When I see you smile, I see a ray of light  
Oh, I see it shining right through the rain  
When I see you smile, baby when I see you smile at me,  
oh yeah

Baby there's nothing in this world that could ever do  
What the touch of your hand can do, it's like nothing  
that I ever knew, hey

And when the rain is falling, I don't feel it, cos you're  
here with me now  
And one look at you baby is all I'll ever need, it's all I'll  
ever need

When I see you smile, I can face the world  
Oh, you know I can do anything  
When I see you smile, I see a ray of light  
Oh, I see it shining right through the rain  
When I see you smile, baby  
Baby, when I see you smile at me, oh yeah

Sometimes I wanna give up, I wanna give in, I wanna  
quit the fight  
Then one look at you baby and everything's alright  
Hey, everything's alright, so right

When I see you smile, I can face the world

Oh, you know I can do anything, yeah  
When I see you smile, I see a ray of light  
Oh, I see it shining right through the rain, yeah

When I see you smile, yeah I can face the world  
Oh, you know I can do anything now  
When I see you smile, oh yeah  
Baby, when I see you smile, smile at me
