Through the hole in my wall,
I see into your head
a beggers day banquet
on a four poster bed
It's food for the eyes
drink for the soul
The hole in my wall
I can't let myself go
CHORUS
I'm spinning 'round and 'round
('round and 'round and 'round)
Don't let me down
(Ooh I groove) Through the hole in my wall
(Love the view) Through the hole in my wall
(Velvet Blue) through the hole in my wall
(I see you) through the hole in my wall
The hole in my wall, lets in the sound
Of bodies and sweat, and merry-go-rounds
The whole in my wall, is better than sex
An x-rated Disneyland, gooving T-Rex
CHORUS (2 X's)
Through the hole in my wall.
