(feat. Mista Grimm, Boss Hogg, Damone & LaToiya Williams)

[Chorus: Warren G - repeat 4X]  
It ain't nuttin wrong with you  
Me and you (we do it nasty, nasty)

[Warren G]  
I once knew a girl named LaShonda  
Short little cute thing  
With a pinky diamond ring  
She was iceless  
My game was so priceless  
Givin her a facial  
I was G'd up  
From the feed up  
Pushin the bent  
With the midnight tint  
Huh, heaven sent

[Mista Grimm]  
I once met a girl in the valley and  
Half black half Italian  
Ass like a stalian  
Coke bottles shake  
As she likes to watch herself on tape  
Breakin nuts shake, but wait there's more  
She keeps my nuts in her mouth like a squirrel  
Pranksta with a pearl  
Held my balls so long  
I call trouble when I'm with my girl

[Warren G]  
There's a law for that  
We ain't trippin, we hogs for that  
Uh

[Chorus: Warren G and LaToiya - repeat 4X]  
It ain't nuttin wrong with you  
Me and you  
(we do it nasty, nasty)

[Damone]

I met this Puerto Rican named Sehonnie  
She was as bad as Carmen  
Chillin in New York and I cracked her in Spanish Harlem  
Straight dime  
Body bangin like a baseline  
And the face fine  
I had to spit dip waste time  
Mr. Passionate  
Everything her body was immaculin  
The presence like a gift to men and got packaged

[Boss Hogg]

Fuckin fabulous  
She say "damn he fat"  
Then I still fuck the ass (how you do that)  
Push up on 'em till they fall to the plot, damn it  
Uh, hog 'em while they fuckin roll, goddamn it  
Call me fat boy with a fat dick to mash  
To lick me baby and I might lick you back

[Damone]

Lickin you back  
She's gaggin with a dick in her trap  
And stickin is fat  
I'll pull it out and tickle your cat

[previous Chorus]

[Warren G]

I put the smash on her like Shaq  
She want the cash on her  
I ain't havin that  
You need to check yo' trap  
I got rose cap  
G'd up, 213, please believe that

[Mista Grimm]

I stay pimpin in a bubble I Benz  
With hoes stubbled up and cuddled in the back with my  
friends  
I slide up on 'em like a cross fader  
The hook up later  
And serve this dick like a waiter  
I ain't tryna date her

[Damone]

When it comes to bitches  
I got more game than the olympics  
I get up in their mind and analyze and twist this,

psychology  
For no reason I'm recievin apologies  
Break her down mentally  
Have her stockin and follow me

[Boss Hogg]  
Trick be swallowin me  
For a nine on the vein  
'cause I'm the fuckin boss, she's my employee  
I ain't hatin, I appreciate you freaky ass style  
Yo nasty ass ?, eat a dick and smile

[previous Chorus - 2X]
