Beautiful Love, You have changed my world  
It's so much better now  
I don't know what You see in me  
But I'm glad that You found

Something  
Worth loving oh

I reach for You  
I reach for You  
I reach for You  
You reach for me, too  
You reach for me, too  
You reach me

You are more than I can take  
So all of You I receive  
I cannot go to where You are  
So You take me

Beyond these  
Dreams I dream

I can't live without You  
I don't wanna be without You  
No I can't live without You
