[G Child (Xzibit)]

That's some good dope  
Ain't nuttin' like some good dope  
Yeah, umm hmm  
That's some good shit, man  
Woooo, Spaceketeers  
Hey, This is the G-Child  
We back big baby  
Ooo, ahh (Ahahh, ahahh)  
I think I need a fix  
I think I need a fix, man, uh

[Warren G]

Warren G, G'd up (Uh)  
Fuck that blaze the weed up  
Got a problem? Best to ease up  
Ain't no fightin', I raise the heat up  
Gotcha bitch knees up  
And by the end of the night, it's beat up  
You say you eat dicks, then bitch, well, eat it up  
But bring a few friends that's X-tacy'd up, what

[Snoop Dogg]

Now all I see is we, LBC, 213  
G's 'n fleezin', the reason, the season  
The click's off the heezy, Mr. Warren G-eezy  
Gots to make it easy for Snoop D-eezy  
To come back and drop raps and make snaps so easy  
The most haunted, and most wanted  
With a pocket full of hundreds  
You know how we run it

[1 - Nate Dogg]

You can catch the bus if you runnin' (If you runnin')  
But, oh, no, the game don't wait  
No, the game don't wait  
All my homies that next to me hustlin' (Hustlin')  
'Cause they (The game)  
Know the game don't wait  
No, the game don't wait (Game don't wait)

[Xzibit]

It ain't nothin' like a one night stand, a night tan  
And a big chest got me feelin' like a brand new man  
Roll some doe and nigga gimme somethin' to smoke  
Say she didn't love the status, she just love the stroke  
Restless, beat the pussy 'til she fallin' asleep  
Athletes trippin' off a couple a thousand a week  
Just to do the same thang  
I didn't even know this bitch's name  
She was in my car givin' me brain

[Warren G]

X to the Z pass the M-I-C  
Anticipation 213 (Ah)  
We contimplat (Ah ha)  
And regulate (What)  
Now we got the game tight  
It's money ta make (Money, money)  
The game won't wait but you can wait for the game  
Worldwide tour, with skirts screamin' our name

[G-Child (Nate Dogg)]

Ya know I can kinda dig that  
Because the game don't wait on anybody  
Ya know, I need a fix (Game don't wait)

[Nate Dogg]

Shit don't stop because the game don't wait  
I got no time for no damn lunch break  
I got to go out and buy some brand new clothes  
And change my socks 'fore they reveal my toes  
Shit don't stop because the game don't wait  
The hookers flock because the dick is straight  
Let me teach you what I already know  
The shit don't stop, so it's time I go (Game don't wait)

[Snoop Dogg]

Youngsta never bite the hand that's feeds you  
Proceed to give back to your folks and loccs that need  
you  
We do, we always keep it on the true  
213, that's the name of the crew  
It's true, that the dirt i did as a kid got me \_Caught Up\_  
But I was brought up with the M-O if a D-O  
So for your info, nigga  
I been doin' this before I hit the radizzo  
Snoop D-eezy is off the heezey  
So you can make mine, extra cheesy  
The crew's a twist cuz it consists of  
Three riders, Eastsidaz, one love
