Microphone check one two uh
And you don't stop
Microphone check one two uh
And ya don't quit

Microphone check one two one two
Let me clear my throat so I can do what I gotta do
It's expresso, mandle that I'm stacked
Niggaz, tryin to corner the market but I'm back
Bang to the boogie, and boogie to the bang
It's g-funk for life sewing up everything
Little locs, pay attention
Do I or should I have to mention
44 ways where the grass is greener
From og to bg is a misdemeanor
St. mary's hospital, 10:20 am
On the street called atlantic is where I began
Ola may, uh, that's my lady, she made me
On a street under the bridge called hill, that's where
she raised me

(chorus 4x)

Transformers, busters in disguise

I say chitty chitty bang bang
Brothers wanna gang bang
Tryin to represent but don't know about the gang thang
21st where it all begun
Begun us on the corner with the homies havin fun
I was a youngsta, peepin from the other corner
Seeing sets in the air with big arms now I wanna
Be like them, and act like them
And stack like them and try to mack like them
Shit, it's hard being warren g from the lb
And like the g's before, you know me
So I'm a stay down, for the eastside
Not like you busters, transformers in disguise

Chorus

One to twenty-one, and you know I ain't gonna stall

I gotta give it up with the homie roll call
Og cry baby, and the homie big roc
Mooch on the side with the stockin can ride
Big sugar mama, flee bag and
Lady roe guard and marathon they og see
Salt lake crew got little shorty charlotte,
But back to louis with t-bone is where I started,
Livin in the back in a little pink shack
