I lay down and I close my eyes
But I won't go to sleep tonight
There's too much on my mind
Holy God, You seem to be
Twice as far away from me
Than You have ever been before

Hold me safely in Your arms
And clear my crowded mind
And whisper words of peace in the dark
Whisper to me, oh, whisper

I'm afraid but they don't know it
I feel so weak but I can't show it
So here I lay
Crying out with tears

Hold me gently in Your arms
And calm my beating heart
And whisper words of hope in the dark
Whisper to me, oh, whisper

Whisper, make the day sleep
Make the noise cease
And give me peace

Whisper to me
How I need to hear You whisper
Whisper to me, oh, whisper

And hold me gently in Your arms
And calm my beating heart
Whisper words of hope in the dark
Whisper to me words of hope
Words of peace, whisper to me
