Go Chase Your Rainbow

No, I'm not mad

I saw it coming

I'm kinda glad that you'd 'fess up to what you want.

Just hanging on 'cause I'm a good guy

Was mighty kind of you

And I do, so hate to see you go

Go chase your rainbow

and remember I'm your best friend

Go tell the one you love you're free

I keep in touch when I come through here now and then

And maybe somewhere there's a rainbow for me.

Just keep the ring, want you to have it

It doesn't mean a thing

Except that we had plans

Sooner or later, you'd have to have him

Then you'd despise me

'cause that ring make some demands

Go chase your rainbow

and remember I'm your best friend

Go tell the one you love you're free

I keep in touch when I come through here now and then
and maybe somewhere there's a rainbow for me.

Go chase your rainbow

and remember I'm your best friend

Go tell the one you love you're free

I keep in touch when I come through here now and then
and maybe somewhere there's a rainbow for me.
