Piano In The Dark

When I find myself watching the time

I never think about all the funny things you said

I feel like it's dead

Where is it leading me now

I turn around in the still of the room

Knowing this is when I'm gonna make my move

Can't wait any longer

And I'm feeling stronger but oh

Just as I walk through the door

I can feel your emotion

It's pullin' me back

Back to love you

I know I'm caught up in the middle

I cry just a little

When I think of letting go

Oh no, gave up on the riddle

I cry just a little

When he plays piano in the dark

He holds me close like a thief of the heart

He plays a melody

Born to tear me all apart  
The silence is broken  
And no words are spoken but oh  
Just as I walk through the door  
I can feel your emotion  
It's pullin' me back  
Back to love you  
I know I'm caught up in the middle  
I cry just a little  
When I think of letting go  
Oh no, gave up on the riddle  
I cry just a little  
When he plays piano in the dark
