We're on the shores of nowhere

looking out to sea

i turn and kiss your face and you laugh at me, laugh at
me

how do i feel when I feel like rain

feel like saying

it feels so good so right to be with tonight{chorus}

There is no space between the ocean, you, and me

Exchanging life force as we live and breath

together we'll be

how do i feel when i feel like saying

so good so right to be with you tonight{chorus}

you make me feel so young the way we laugh and play

like a child in the sun

love is the way

how do i feel when i feel like rain, feel like saying

It;s feels so good so right to be with you tonight
