I'm up on the tightwire  
one sides ice and one is fire  
its a circus game with you and me.  
I'm up on the tightrope  
one sides hate and one is hope  
but the tophat on my head is all you see  
And the wire seems to be  
the only place for me  
a comedy of errors  
and I'm falling

**\*\*Chorus\*\***

Like a rubber-neck giraffe  
you look into my path  
well maybe you're just too blind to see  
I'm up in the spotlight  
ohh does it feel right  
ohh the altitude  
seems to get to me

I'm up on the tightwire  
flanked by life in the funeral pire  
putting on a show  
for you to see

**\*\*Chorus\*\***

Like a rubber-neck giraffe  
you look into my path  
well maybe you're just too blind  
to see  
I'm up in the spotlight  
ohh does it feel right  
ohh the altitude  
really gets to get to me

I'm up on the tightwire  
flanked by life in the funeral pire  
putting on a show for you to see
