[Chorus] Rusta came to rock the party so slam down
shots of that bacardi Smoke up the weeeed, drink
down the hennnn Once your done with that do it all
again Rusta came to rock the party so slam down shots
of that bacardi Smoke up the weeeed, drink down the
hennnn Once your done with that do it all again [Verse
1] Here we go I'm gonna get it poppin I see all the
broads pop, lock, and droppin And they ain't stopping,
til there pussy poppin And I'm not stopping, til I get
them bobbing Maaannnnnnnn I just want some hear I
could careless how you act in bed Don't get me wrong
I'd love to have sex But I'd rather blow a load all over
your face and neck Dripping to your breast to relieve all
my stress You'll get curressed after you get undressed
Yeeeeeeahhhhhh you know what I mean
Naaaaaawwwwwwww I'm not trying to be mean Only
thing I want is just to blow my load so Take a hit of this
dro, then suck on my pole Whoaaaaaaa now thats what
I call deep throattttt Soo swowwww when she goes
down lowwwwwwww [Chorus] [Verse 2] Holla
mommacita chu can call me poppy I'm crem' de la
crem' you can call me cocky Me gustara mis chicas to
be naughty naughty And I like my girls to party parrrty
Shorty, come on grind on me I got two freaks to grind
on me And yeah they look good, but they fine on me So
here we go, lets do a line on me Coke, Pills, or weed,
whats the drug that you need? If your stressing cause
an ex dont mess with me But if your tripping on some x,
sit next to me I got all the things that you think that you
need Theres no need to stress, let me curress your
breast And yes I confess you look HOT in that dress So
why settle for less, you deserve the best Lets make
your hair a mess, and get you wet!! [Chorus]
