I told you when we first met
I don't want nothin' serious
And you said, "I understand"
No commitment that's for sure
I always need that open door
'Cause that's just the way I am

Now you say I can't make it babe without you
Is that how you see it? Yeah, yeah, yeah
And if you go I won't know how to forget about you
Is that how you believe it to be true
If you're accusing me of needing your sweet touch
Accusing me of loving you too much
Guilty, yeah, yeah, I'm guilty

And I never thought there'd be someone
Who could ever do what you've done
Oh baby how'd you do it?
You broke the walls around
This heart you turned upside down
Like there was nothing to it

Now you say I can't make it babe without you
Is that how you see it? Yeah, yeah, yeah
And if you go I won't know how to forget about you
Is that how you believe it to be true
If you're accusing me of needing your sweet touch
Accusing me of loving you too much
Guilty, guilty

If you're accusing me of needing your sweet touch
Accusing me of loving you too much
Now you say I can't make it babe without you, guilty
And if you go I won't know how to forget about you,
guilty
You say my arms need to be around you, guilty
And you say I never knew love till I found you

Baby, I'm guilty
Yeah, yeah, yeah
I'm guilty
Yeah, yeah, yeah

Baby, baby I'm guilty
