You say you're alone when you're with me  
And I don't care about the way you feel inside  
You say the weight's all on your shoulders  
Baby you say I never tried

But I tried runnin' from the way I feel about you  
And I tried walkin' away from all the lies  
And I tried leavin' but I couldn't live without you  
And I never said goodbye, oh, but baby I tried

We judge ourselves by our intentions  
And others by the way they live their lives  
I always meant to do the right thing  
But how can you say that I never tried?

'Cause I tried runnin' from the way I feel about you  
And I tried walkin' away from all the lies  
I tried leavin' but I couldn't live without you  
And I never said goodbye, oh, but baby I tried

Whatever it is about you  
Keeps pullin' me back into your web  
I can't put my finger on it  
Whatever it is I ain't figured it out yet

No, I tried runnin' from the way I feel about you  
And I tried walkin' away from all the lies  
And I tried leavin' but I couldn't live without you  
And I never said goodbye, oh, but baby I tried

Baby I tried, oh yeah
