You're Daddy's little girl
Born with a silver spoon
I could tell somebody told you
You hung the moon

You look so good
I had to look the other way
You need a man
That'll do everything you say

I know, baby, what you need
I know, baby, what you need
Yeah, yeah, yeah, yeah, yeah
It ain't me

At first you were different
Actin' like the shy type
You blew it, baby
You blamed it on the wine

I should have known
That was the beginning of the end
But I took you back, baby
You did it all over again

I know, baby, what you need
I know, baby, what you need
Yeah, yeah, yeah, yeah, yeah
It ain't me

You don't think I'd leave you standing in the rain
Girl, you think my love for you it'll never change
Oh, no, no, no

It used to be enough drinkin' from your lovin' cup
But tonight it's really over
So shut up and get out of my truck

I know, baby, what you need
I know, baby, what you need
I know, baby, what you need
Yeah, I know, baby, what you need

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, it ain't me
