My name ain't up in lights
But I'm a hero in this bar
And I play four big shows a night
With just me and my guitar

I don't make a lot of money
And I don't have a lot of gear
I don't sell a lot of records
But I sure sell a lot of beer

If you wanna hear Bob Dillon
I'll play like a Rollin' Stone
If you wanna hear Bob Wills
I'll play the Rose of San Antone

I'll even play Happy Birthday
If that's what you wanna hear
'Cause I don't sell a lot of records
But I sure sell a lot of beer

So it's hey, hey, what's your favorite song?
Hey, hey, everybody sing along
We're just one big red neck family
At least while we're in here
'Cause I don't sell a lot of records
But I sure sell a lot of beer

I wake up every Sunday morning?
So I can go to church and pray
But after some of my Saturday nights
Things just don't turn out that way

I think even the Good Lord, he understands
I'm at that point in my career
Where I don't sell a lot of records
But I sure sell a lot of beer

So it's hey, hey, what's your favorite song?
Hey, hey, everybody sing along
We're just one big red neck family
At least while we're in here
'Cause I don't sell a lot of records

But I sure sell a lot of beer

Well, I don't sell a lot of records
But I sure sell a lot of beer
