The Bed is Leanin' My Way,
There's Ashes on the floor
You'd Swear There'd Been a Party,
The Way I'm sleepin' off the night before

I Got A lot more room for breathin
And I Can Have too much too drink
Cuss Out Loud if I want to
There's nobody Here to tell me what they think

Trouble Is,
I'm Still holdin' on
Waitin' Here, She's still gone
Trouble Is
I made Her Cry
I Let Her Go, Don't ask me why
When No One's There for me, Trouble Is
Trouble Is

I Don't have to say I'm sorry
When I say something wrong
I don't have to come in Early
Hell I can stay out all night long

Trouble Is,
I'm Still holdin' on
Waitin' Here, She's still gone
Trouble Is
I made Her Cry
I Let Her Go, Don't ask me why
When No One's There for me, Trouble Is
Trouble Is

It always seems to find me
No Matter where I hide
Always There to remind me
How much harder I could've tried

Trouble Is,
I'm Still holdin' on
Waitin' Here, She's still gone

Trouble Is
I made Her Cry
I Let Her Go, Don't ask me why
When No One's There for me, Trouble Is
Trouble Is
