I don't know, I don't care.  
What the fuck's going on?  
I just know it's not fair  
how this world causes pain.  
The truth is that I don't care  
for other people's shit.  
Now I don't listen more  
to whatever people say.  
Why must I die when you live?  
Live through my dismay...now.  
I don't know, I don't care,  
it won't stop and I can't bear.  
The pain grows, the pain grows,  
Make it stop or IÂ´ll lose control!  
I Don't Care!  
I just don't care, motherfuckers!!!
