I'm so cold, I'm so dead,  
maggots coming out of my head.  
I'm so raw, I'm so fucked,  
I'm perceptual piece of rust.  
Rusty Eye! I'm fuckin' scalding!  
Rusty Eye! You're fuckin' blind!  
Rusty Eye! You're fuckin' dying!  
Rusty Eye! So fuckin' blind!  
I'm watching you, I live in hell.  
Just call on me, and see the spell.  
Inside of me, I'm full of rust.  
Come with me, and you'll find god.  
I'm so cold, I'm so dead,  
maggots coming out of my head.

Rusty Eye! Rusty Eye!! Rusty Eye!!!  
Rusty Eye! Rusty Eye!!  
Rusty Eye!!  
Rusty Eye!  
Rusty! Eye! Eye!! Eye!!! Eye!!!!
