Mic check, time for me to make that connect
With the So So Def so I can make my collect
Private jet in motion, over the ocean
Touch down jungle air strip, CD's to flip

Feds having a cow
Gotta stay on the down low for now, am I living foul?
Fuck that I'm living fat, I got the track
Don Chi Chi and Nate they got my back and it's like that

Y'all the type of niggaz to blink and to come up all
assed out
I'm the type to say fuck that and go cash out
All glassed out with the count of the bitch
Screaming nigga I ain't having that shit

I represent niggas that love to ball, and still be trappin'
And only drink outta the bottle with the gold wrappin'
If it's gon' happen I'm the one that make it go down
Cool JD how you like me now? I keep

Havin' things
(We havin' things, havin' things)
Havin' things, yeah
(We havin' things, havin' things)

Havin' things
(We havin' things, havin' things)
Havin' things, yeah
(We havin' things, havin' things)

I reminisce when it's like this
Real niggas get together they don't like this
So I'ma spice this, ATL, Long Beach to Cada
We been doing this for years for you paper haters

When the beach turned out fresh dress in eighty fo'
When JD was poppin' in Houdini's videos
Me and Nate was serving on the east side fo' sho
And in a game fo' a minute got a minute to go, what?

They should know now

(We havin' thangs, havin' thangs)
Don't sell your soul now
(To have things, have things)
Do what you feel now
(If you want things, want things)
Keep it real
(Keep it real y'all)

And y'all be havin' things
(Havin' things, havin' things)
Havin' things, yeah
(Havin' things, havin' things)

Havin' things
(Havin' things, havin' things)
Havin' things, yeah
(We havin' things, havin' things)

Come on out to my castle lady
See you got thangs on your mind
Go on up to my bedroom baby
Tonight everything is just fine

Stay with me just little while longer
It's only a quarter to five
I can stay up late, don't work in the morning
Havin' things is just fine

I'm a south coast nigga so fuck y'all niggas
With hate, me and G V.I.P. at the gate with Nate
Bringing bitches to the table with they belly out
Fine as fuck, but steady trying to tell me how

They got a man but still wanna get they drink on
I'm lookin' at this hoes like, "You ain't heard this song?"
If you drink this shit, it's time to leave
Fo' shi's, fo' C's, it's 12:18 and we be

Havin' things
(We havin' things, havin' things)
Havin' things, yeah
(We havin' things, havin' things)

Havin' things
(We havin' things, havin' things)
Havin' things, yeah
(We havin' things, havin' things)

Havin' things
(We havin' things, havin' things)
