(feat. Phats Bossi, Slick Rick)

[Slick Rick]

Well...

Kinda hungry

Have you eaten?

Hardly any

Walking down sunset boulevardnelly

I had this miner on the lock

She said

That mutha fucker look finer

Than a fuck

But he's an eastcoast cat

Pure jelly ass

Nigga kick a rap that can impress

My L.A. ass

Disrespect

When I didn't deserve it

Hey you acting like earning the

Best rapper walk the earth yet (no)

I guess some big tymer tapping her

I huff, and puff

Blew her fat rat ass off

Blaze her

Shit, in the face

The most rapper

Why she acting like it didn't know

While I pulls up on her Rolls

I gets in it

I'm like bitch it's

Best you write down your number this minute

Catching her going

Just sparking off

And she came to her sister

Before the car took off

[Chorus]

We know what to do

If we give you the chance

You'll fall in love

And all the time won't remain

The way you look

Your touch is fine
But I won't let you blow my mind

[Warren G]

Lodi Dodi
We like to party
My nigga slick rick
Can still rock a party
It was 12:15 when I hit the scene
Fresh out from L.A.
Touching J.F.K.

I was on my way
To go get my bays
I'm a real one from L.A.
So I gots to say
I hit my nigga slick rick
And said I'm in town
Get some puerto rican freaks
Cause it's got to go down
So we hit every girl in the N-Y-C
I'm rush associated
So what's up with me
We fucked and flee off the hennesy
Girl just for me
Hit'em all for free
Beyatch!

[Chorus]

[Phats Bossi]

What?
Fast as suave-a
Boss will flip the script
The number one draft pick
So the G's is thick
Roll with Rick
Nigga that'll roll with me
Every man feel free
When he making a G
Is money constant?
And money all that I see?
I'ma breath this shit
Money coming with me
What you want with it
The boss stay committed
To drunk trying to pive it
Still I bust the sickest
Check it
Wreckless major carrots
In my necklace

Black lence and go kill'em with ??? shit
Perfect it now the game's obtain
And this don pieces eyes
Peel jocking the ring
Trade the sex face
Baby keep the pace
Lots to do
Little time
And is love to make
Promise you my pearl
Baby this my world
And even broke without a dime
You still be my girl
What!

[Chorus]
