It's that nigga GZ, Whee-Z back for the 9C
I ex sippin' on the yak, so people wanna know what's
next
Ain't nuthin' changed, another day a new time
With this uptempo beat with the G-Funk rhyme

Regulatin' state to state, coast to coast
It's all about the call of greens, yak, let's toast
'Cuz it's a ballin' society
I try to be the dopest I can be in this industry
But you don't hear me

I think ya betta, I think ya betta
'Cuz when I get it goin' on I ain't gonna let up
I set up the G-Funk family
And we funk'n up the industry until eternity
It's alright with you if it's alright with me
We'll get down to the sounds of the LBC

Relax ya mind, ya mind, ya mind
Relax ya mind and let your conscious be freein' you
down
To the sounds of the Warren G
Relax ya mind, ya mind, ya mind
Relax ya mind and let your conscious be freein' you
down
To the sounds of the Warren G

It ain't easy bein' GZ
But the lifestyle I chose, the status to which I rose
The doors I open, I'm loccin', I'm scopin'
Through the eyes of the G Child
I see many try to duplicate the LBC style

But it ain't even happenin' like that
It was time I had to make a comeback and get mine
You know I'm genuine
Been in motion with the potion with snoop since 89

Devotion is the key for me so
Relax ya mind and let your conscious be free
The homey just touched down, foolin' wit a pound

Put yo gun down, so you can walk a safe ground

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

I know it's been hard on you for about two

So, I had to relax ya mind

I thought you knew ain't nothin' but a long beach party

With yo hands in the air, with the twist of coke and

Bacardi

All the homeys around and the slingshot T-shirts

Skirts wit the baby fat it'll work

Pass me the indosmoke and get locked

From the beach to the bay, makin' them sway

Like the ocean in motion, we coastin'

Relax ya mind and keep floatin', floatin', floatin',
floatin'

And walk a safe ground

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G

Relax ya mind, ya mind, ya mind

Relax ya mind and let your conscious be freein' you
down

To the sounds of the Warren G
