If you wanna be with me, yeah
Let me hear you say Warren G, Warren G
(Yeah yeah)
If you wanna be with me, well well well
Let me hear you say Warren G, Warren G
(Yeah)

Smokin' me out to the finish, I thought you knew
I thought they knew, who was up in this
Ron Isley, I's be Warren G
Baby said, would ya please come roll deep

Chocolate Thai, I said
I got the Hennessy chaser, skirt you look fly
Peepin' them lips, hittin' two finger sips
On the 710 freeway, I straight dips

Wit a fat one rolled up to puff
I'm ready to hit it and I won't quit it until I get enough
Tokin' nothing but the bomb that's without no doubt
As she twist up another split she's straight smokin' me
out

She's smokin' me out, smokin' me out
Smokin' me out, oh no
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, smokin' me out
Oh, she's smokin' me out with the homey's love

I slinkin' while I'm thinkin' just how good it is
To do it how we do it in the hood I live
Passin' homies on the block, gettin' major respect
And by then y'all the hen dog is taken effect

Never panic hit Atlantic then I banked to right
Pulled straight Nell in B's order steak and rice
With the gravy, baby gets the shrimps and fries
I'm diggin' on her figure as I glimpse her thighs

She's satisfied, I left the tip and dipped to get back

To twist another zag and to grab a six pack
She went back, so we proceed to parlay
Everything is lovely and we doin' it always

She's smokin' me out, smokin' me out
Smokin' me out, oh no
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, smokin' me out
Oh, she's smokin' me out with the homey's love

This ain't no love ballad, but see baby I gots to have it
When I see that bomb I grab it, 'cuz it's a habit
So don't come with that toe down stretch, I ain't
stressin'
Long beach baby keep smokin' me out, she learned a
lesson

Floatin' high as a kite as I chill and lay low
Bumpin' time is collected, Sunday nights on the radio
Oh, I forgot, how lit I was, crazy glued to the seat
Dog said she need

So conversation ain't needed, when she know that I'm
weeded
Headin' to the hotel to regulate it and beat it
I exhaled, I seen a cloud of smoke
I banged it to the boogie by my head and got locoed

She's smokin' me out, smokin' me out
Smokin' me out, oh no
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, smokin' me out
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, oh no
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, smokin' me out
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out
Smokin' me out, oh no
Oh, she's smokin' me out with the homey's love

She's smokin' me out, smokin' me out

Smokin' me out, smokin' me out
Oh, she's smokin' me out with the homey's love
