(feat. Nate Dogg, Snoop Dogg)

We'll like to welcome y'all back to the club

I'm your host this evening, Mr. Tadah!

Ya dig, club Toe Jam, is once again off the hook

For ladies night, ya dig, everynight

Right now, we would like to bring something very  
special for you

Check it out

[Nate Dogg]

Ooooooooooooooooooh

I like them girls with the tight black skin, dark and fine

That's the kind of girl I wanna play with tonight

I wanna do some nasty thangs, wanna make her  
scream my name

I like the girls that don't say, "what?," know that she  
fine

Always knows her line, because she knows she's a  
dime

Put her on platinum chains, got her own cash and  
things

I like them girls, their sassy ways, sassy ways

Oh I like them girls, man I could stay there for days

Ooooooooooooooooooh

[Snoop Dogg]

Why you so cute, why you so big

Why you bullshittin', come and deal with a pimp

Put your bags in the trunk, holla at your boy

You can spend the night, we at the Elroy

Doing things that we shouldn't, couldn't

Girl you got that good chocolate pudding

The best in hood, what's goodin'

She got the wizard of west wood, like old John Wooding

But how could I need that

I'm looking for feedback, because I can't believe that

I fell into a little tree sap

I got a woman at home, ain't fell in love where the  
weeds at

Started off with a dime, but by the time I was thug

She was less than a duece, I'm telling the truth

Confessing with you, I'm just messing with you

Because on the real baby girl, you put in the S in Snoop

[Warren G]

See I rock baby, nonstop baby  
Warren G baby, shake that thang lady  
I see you picky lady, you be tweaking I
