Everybody likes Billy's Barbeque  
Everybody likes Billy's Bally-Hoo  
You have to come tonight  
For a booze and a bite  
Or just to say "Hello there" and "Howdy-doo"

Come along with me, it is so much sun  
Billy's Barbeque is number one  
Let sorrow be yesterday  
Tomorrow is far away  
We borrow some happiness today

Everybody likes Billy's Barbeque  
Everybody likes Billy's Bally-Hoo  
You have to come tonight  
For a booze and a bite  
Or just to say "Hello there" and "Howdy-doo"

You cannot slay away  
'Cause the band will play  
Everybody likes Billy's Barbeque  
Did you ever see such a crazy man  
Did you ever see such a lazy man  
That's Billy, in school he looked so silly  
But now he's worth a million and maybe even more

Everybody likes Billy's Barbeque  
Everybody likes Billy's Bally-Hoo  
You have to come tonight  
For a booze and a bite  
Or just to say "Hello there" and "Howdy-doo"
