Bye bye my love, Bye bye my love  
>From the beginning I have told you so  
Told you so  
I cannot stay, I'll have to go  
I'd like to be with you for ever more  
Ever more  
But don't you try to close the door  
It will be tonight or never  
Then I'll say goodbye forever  
Though I know that I'll be not the same  
\* Bye bye my love,  
Bye bye my only love me  
Bye bye my love  
Don't cry when I am gone  
You've seen the last of me today  
You always knew I couldn't stay  
But now that you kiss me this way  
I feel it's hard for me to say  
Bye bye my love  
Bye bye my only love  
Bye bye my love  
Love goodbye  
Bye bye my love, Bye bye my love  
My heart is asking: "Where do I belong"  
I belong  
But how can I tell right from wrong  
I'd like to be with him for evermore  
Ever more  
But still I left and closed the door  
Going back would mean I'd never  
Say again: "Goodbye forever"  
But it cannot be, my heart's not free  
\* (Repeat)  
Bye bye my love, Bye bye my love  
Bye bye my love  
Bye bye my only love  
Bye bye my love  
Don't cry when I am gone...  
...(fade)
