Love, the way you take it  
Is giving you a thrill  
But only when you make it  
You come for one crazy night  
And then you stay out of sight  
And what am I waiting for ?  
To hear you knock on my door  
Love, the way I feel it  
Should be forever  
And not only when you steal it  
I loved you right from the start  
But I know deep in my heart  
It would be better if we'd stay apart  
\* Once in a blue moon  
My phone is ringing and you  
Are telling me  
That you're dying to see me  
To see me  
Once a blue moon  
You say: "I love only you"  
But I know before dawn you will leave me  
(Dying to see me)  
(Why do you leave me)  
Love, I'm very sorry  
Why do you tell me  
Ev'ry time the same old story  
You say the not for the world  
You'd like to kiss other girls  
You'll hear the wedding bells chime  
Love, I know, tomorrow  
You won't be here  
To kiss away my tears of sorrow  
But you say: "Turn down the light  
I'll drive you crazy tonight"  
And once again I am holding you tight"  
\* (Repeat)  
Once a blue moon  
My phone is ringing and you  
You tell me  
Once a blue moon

Tonight I'll make love to you  
But only  
My phone is ringing and you  
You tell me  
Once a blue moon  
Tonight I'll make love to you  
\* (Repeat 3 times and fade)
