One look sends it coursing through the veins, oh how  
the feeling races  
Back up to their brains to form expressions on their  
stupid faces  
They don't want to say hello, but I can't want to say  
hello  
My heartbeat's at its peak, when you're coming up to  
speak

Well I'm so tense and never tenser  
Well I'll go a bit Frank Spencer  
And I'm talking gibberish  
Tip of the tongue but I can't deliver it...  
Properly  
Oh, it's all getting on top of me  
And if it weren't this dark  
You'd see how red my face has gone, yeah

Everybody's trying to crack the jokes and that to make  
you smile  
Those that claim that they're not showing off are  
drowning in denial  
But they're not half as bad as me, say anything and I'll  
agree  
Cause when it comes to acting up, I'm sure I could write  
a book

And now that you're more than a part in the play  
It's slightly easier to think what to say  
You had us all standing on our heads  
Doing our best tricks, yeah

Never again  
Never again  
Will there be another one quite as desirable as you?  
One look sends it coursing through the veins, oh how  
the feeling races  
Back up to their brains to form expressions on their  
stupid faces
