[VERSE:]

You've got fashion and style
I'm lovin' your smile and
The way you get down
I can't see no one else
It's you by yourself, yea
In spite of the crowd
(Baby no one else matters)

It started off with a kiss (uh huh)
Never expectin' this (uh huh)
And now I'm here copin' with
My addiction (addiction)
It started off with a kiss (uh huh)
Never expectin' this (uh huh)
And now I'm here copin' with
My addiction

While all the girls say

Honey, you are all I see
And it could not be no clearer
That I need you here with me
