I close my eyes, you reappear
I always carry you inside, in here
And once again our love is real

I fall asleep, you come to me

How could I have let you get away
Why couldn't I have found a way to say

"Tu eres el amor de mi vida " You are the love of my
life
Con todo el corazon te diria With all my heart I would
tell you

Tu eres mi amor de verdad" you are my true love"
Si solo te pudiera encontrar If only I could find you
I look outside, I know you're there

And you've found a brand new life somewhere
I only wish it had been us
But I'm happy for your happiness

How could I ever let you go

How will I ever let you know

"Tu eres el amor de mi vida " You are the love of my
life

Si solo te pudiera encontrar If only I could find you
Tu eres mi amor de verdad" you are my true love"

Con todo el corazon te diria With all my heart I would
tell you

"Tu eres mi amor, " You are my love,
Tu eres mi amor de verdad" You are my true love"

Tu eres mi amor, You are my love,

"Tu eres mi amor, " You are my love,

Tu eres mi amor, You are my love,
Tu eres mi amor de verdad" You are my true love"
