If you's a hitchhikin' woman
You can thumb a ride with me . . yeah
If you's a hitchhikin' woman
You can thumb a ride with me, yes, yes, yeah
I just had my crankcase greased, mama
My natural motor won't give out on me
Hey, come on baby
I'm gonna ride you slow and easy
Any way to make it last . . .
Yeah I'm gonna ride you slow and easy
Any way to make it last . . . yeah
Oh, when the riding gets good, mama
I'll have to shake my head, yes, yes
Play the blues, boys . . .
