Written by Tillman Franks and Johnny Horton  
Cedarwood Publishing/BMI

If you told me that you loved me  
I would feel so proud  
You let me hold you honey  
I would holler out loud  
I'll never love another  
Even if I can  
Oh, come to me, baby  
I'm a one woman man

Won't you let me, baby,  
Just a kinda' hang around  
I'll always love you honey  
And I'll never let you down  
I'll never love another  
Even if I can  
Oh, come to me, baby  
I'm a one woman man

I'd climb the highest mountain  
If it reached up to the sky  
To prove that I loved you  
I would jump off and fly  
I'd even swim the ocean  
From shore to shore  
To prove that I love you  
Just a little bit more

Won't you let me, baby,  
Just a kinda' hang around  
I'll always love you honey  
And I'll never let you down  
I'll never love another  
Even if I can  
Oh, come to me, baby  
I'm a one woman man

If you told me that you loved me  
I would feel so proud

If you'd let me hold you honey  
I would holler out loud  
I'll never love another  
Even if I can  
Oh, come to me, baby  
I'm a one woman man

I'll never love another  
Even if I can  
Oh, come to me, baby  
I'm a one woman man  
Come to me, baby,  
I'm a one woman man
