We keep walking away for no reason at all
And no one says a word
We were always so busy protecting ourselves
We never would have heard
And the rate of attrition for lovers like us
Is steadily on the rise
Nobody's in love this year
Not even you and I

Due to lack of commitment on both of our parts
We're going our separate ways
This show of indifference is breaking our hearts
It's making us crazy, yeah
You sit back and wait for your love to accrue
You'll be waiting a long, long time
Nobody's in love this year
Not even you and I

I don't want to be Mr. Vulnerable
I don't want to get hurt
I don't want to be Mr. Vulnerable
I don't want to be the one who gets left behind

We keep walking away for no reason at all
For the sake of being free
No one's invested enough of themselves
To yield to maturity
And the rate of attrition for lovers like us
Is steadily on the rise
Nobody's in love this year
Nobody wants to try
Nobody's in love this year
Not even you and I

I don't want to be Mr. Vulnerable
I don't want to get hurt
I don't want to be Mr. Vulnerable
I don't want to be the one who gets left behind
